Customer list page:

The screenshot shows a web browser window titled "Customer List Screen" with the URL "localhost:8081/Java_Assignment/customer_list.jsp". The page features a light blue background and a white content area. At the top of the content area, there are two buttons: "Add Customer" (blue) and "Logout" (blue). Below these buttons is a table with the following columns: First Name, Last Name, Street, Address, city, State, Email, Phone, and Action. The table contains eight rows of customer data. Each row has a red minus icon and a pencil icon in the Action column.

Delete Customer :

The screenshot shows the same web browser window as before, but with a green success message at the top: "Successfully deleted!". The table below the message now contains nine rows of customer data, with the first row (Jane Doe) being the one that was deleted in the previous screenshot. The rest of the table structure and content remain the same.
